Relevant Coursework: Intermediate Programming, Discrete Structures, Calculus I

EXPERIENCE

Instructor

Jan 2021 – Jan 2024

Manakamana UCMAS

- Delivered online classes on mental arithmetic concepts using structured, step-by-step instruction in a remote learning environment.
- Reviewed student work, identified errors, and provided targeted feedback to improve learner accuracy and confidence.
- Maintained organized, patient instruction style while managing student progress across a multi-year remote program.

Mathematics Teacher

Sep 2023 – Jun 2024

Jyoti Academy

- Taught algebra, geometry, trigonometry, and pre-calculus to grades 8-10 students through clear, accessible lesson design.
- Developed lesson plans that broke down complex topics into simple language and provided individualized academic support.
- Monitored student progress and adjusted instructional approaches based on each student's learning needs.

Admissions Assistant

Mar 2024 – Apr 2024

Jyoti Academy

- Responded to admissions inquiries from prospective students and parents via phone, email, and in-person consultations.
- Maintained accurate student records and organized documentation with strong attention to detail.
- Coordinated schedules and communicated with students and staff to support admissions events.

Cashier and Stock Clerk

Jan 2024 – Jul 2024

Bhat-Bhateni Supermarket Sanagaun

- Processed customer payments, issued receipts, and delivered reliable service in a high-volume retail environment.
- Organized shelves, sorted incoming deliveries, and maintained a clean, accurate workspace.

ACTIVITIES & LEADERSHIP

Leo Club of Kathmandu Sauharda

Jul 2023 - Jun 2024

Member

- Created and delivered presentations for community programs and student-focused events; coordinated talent shows, service events, food distribution drives, and donation collections.
